Spirits 2

Angels on
Assignment 3

Harvesting
Angels 4

When God hands out assignments to His people, they are for the most part impossible to accomplish. He knows this and we know this, but how do we do the impossible? The Lord told me to build my ministry debt free. Don't ask people for money, no special offerings, and no fundraisers. How do you build a million dollar building with sixty thousand dollars in the bank? I know my limitations. I know I didn't have the grit to see this all the way through. God sent help.

Hebrews 1:14 Are they not all ministering spirits (angels), sent forth to minister (wait on) for them who are the heirs of salvation.

Whatever assignment the Lord gives us, He has angels who are standing by to help us get it done. I believe the reason we have struggled with our assignments is that we didn't understand the ministry of angels. I am dedicating this newsletter to the teaching of angels. It is vitally important we strike the proper balance. Without the proper knowledge, our angels will stand idly watching us strug-

gle to finish our assignment.

Psalm 103:20 Bless the Lord, you His angels that excel in strength, that do His commandments, hearkening unto the voice of His Word.

Angels are big and powerful. Most artists depict them as fat little fairies that hover around like a dragon fly. You would be well served to get that image out of your thinking. On behalf of David, the Lord sent one angel and he slew one hundred eighty five thousand men who were oppressing God's people. Angels are very powerful beings and God sent ALL of them to wait on us. Their power and strength does not manifest until they are called on to perform a task. Their strength comes when God's

Word is spoken, then they can do whatever God ordains them to do.

Angels don't make choices, they cannot bargain with people, and they can't make "deals". They don't have "feelings" like we do. They perform His Word without prejudice. If they are sent to give someone a special message, they speak it but they don't enforce it. When you recognize the works of an angel you become grateful.

Colossians 2:18 Let no man beguile you of your reward in a voluntary humility and worshipping of angels.

Angels are never to be worshipped, they won't receive it. They are fellow servants just as we are. We do not have dominion over angels. They are accountable to God and His Word. When you accept an assignment of the Lord He will send an angel to help you. At that time you can use His Name which is His voice and send the angel to do things you can't do. God nor His angels will not do for you what you can do for yourself. When it's all said and done God gets the glory, not you nor your angel.

Ministering Spirits

**Every church
that God
establishes
is assigned
an angel**

In December we got about sixteen inches of snow. I heat my home with a forced air wood furnace and periodically I need to go on the roof and clean out the chimney. It becomes dangerous when you have eight to ten inches of snow on your roof. I prayed and enlisted the help of my angel. I climbed up, cleaned the chimney and came down safely. This is how I prayed: ministering angel keep me safe on the roof lest I fall and dash my head on the concrete.

Mathew 18:10 Take heed you despise not one of these little ones; for I tell you, that in heaven their angels do always behold the face of My Father which is in heaven.

Are not all angels ministering spirits sent to serve those who will inherit salvation?

HEBREWS 1:14

Every born again saint has an angel assigned to them to help them fulfill and finish their course. If you are not made aware of this, your angel has

nothing to do. Our angel will never do anything that is contrary to God's will. We cannot release our angel to exact vengeance on our enemies. Vengeance belongs to the Lord and we can deal with it as it pleases Him. Angels will not help us to fulfil the lusts of our flesh.

Revelation 2:7-8 He that has an ear let him hear what the Spirit says to the church. Unto the angel of the church in Smyrna write...

Every church that God establishes is assigned an angel. If a church is established by a man, they are on their own. Heaven will not help them. If a pastor will not obey the Lord, the Lord will remove his angel.

The angel is sent there to help that church fulfil its vision. He can be sent to gather the people assigned to the vision and He can gather the harvest of seed sown. The angel can provide security

against those who are sent by the anti-Christ to hinder the vision. The angel is a type of helpmate that helps us to complete all the Lord gives us to do.

The Holy Spirit speaks to the church, our angel repeats it to us and helps us to carry it out.

Daniel 6:22 My God has sent His angel and has shut the lion's mouths.

What the devil means for evil, God can turn to good. When the man of God knows he has angelic help, he will become more confident and bold. Kenneth Copeland and others have given prophetic words, saying that the angels have been sent to help us in these last days. The more we study the Word, the greater our understanding and the more we can access these gifts.

Hebrews 13:1 Be not forgetful to entertain strangers: for there by some have entertained angels unawares.

Angels can take on the appearance of men in order to do what they were sent to do. Jerry Savelle talks of a man who helped him get his car repaired on a road trip. Later, he went back to thank that man but no one in that small town ever heard of or had seen that man. We are surrounded with ministering spirits and I believe we are going to see their works more and more.

Angels on Assignment

If you have been serving the Lord for any length of time, I'm sure you have been in the presence of angels. I believe that angelic activity is increasing because God's people are learning their place in using these creatures. In Peter's Epistle he talks about the new covenant salvation; how a man is saved by grace through faith.

Angels cannot heal, but they can administer the healing God sends them to bring. The angel stirred the water, but it was the Lord that brought the healing. If you sent me a gift by UPS, I wouldn't thank UPS, I would thank you. Angels are not equal to God, they are not equal to us. They are created for God's pleasure. They are not God's

ers. They produced little or no fruit and every day was a struggle. Their longevity was sustained by pride, not God nor His angels. I respect those who want to be used of God, but they must discern if it's God or not. I don't know what's worse, having no angel or neglecting to use your angel.

1 Peter 1:12 These things the angels desire to look into.

The angels are trying to understand how God forgave all mankind of their sins. How God in a moment of time changed man's image back into His own. God gave these men dominion over the works of His hands and then God sent these angels to wait on us and help us to perform God's will on the earth. They want to know how God could do all this to men who were dedicated to fulfilling the lusts of their flesh. They always knew the love of God, now they see Him manifest that love in people who did not deserve it.

John 5:4 An angel went down at a certain season into the pool and troubled the water. Whosoever then first stepped into the water was made whole of whatever disease he had.

Psalm 91:11 For He shall give His angels charge over you to keep you in all your ways.

God has sent His angels to protect us and keep us safe. Sometimes we need to send them on special assignments. One day I needed to meet with a man over some issues. I sent an angel to

children, we are. Contrary to what some believe, we do not become angels when we go to heaven. Angels are glorified spirits and we will be glorified bodies.

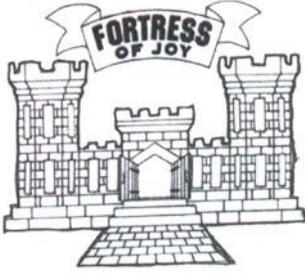

Psalm 127:1 Except the Lord build the house, they labor in vain that build it.

If a man begins to establish a ministry on his own without God's authorization, he is wasting his time. God will not be involved with an illegitimate ministry, nor will He send an angel to stand over the work. I have known many ministries that endured solely on the strength of their found-

have him come to me and two days later he called me for a meeting. He told me the Lord told him to call me. Angels don't get tired and they don't need rest. Don't be squeamish about sending out your angel every day, this is what they were created to do. We love doing what we were created to do and angels are the same way. They are fellow servants that possess a power or ability that we don't have. No angel was created to be worshipped, especially not Lucifer. Once you know your place, the angels place and God's place, you are then ready to reign in life.

God has sent His angels to protect us and keep us safe

Sometimes we need to send them on special assignments

restoring the supernatural power of
God back to the church

Harvesting Angels

When a tither sows their seeds, the Lord will rebuke the devourer (**seed eater**) for their sake. When God issues a command, it is His angels that bring His Word to fruition. I believe that when God rebukes the devourer, His angels are dispatched to guard our seed until the time of the harvest.

Mathew 13:39 The harvest is the end of the world; and the reapers are the angels.

Angels are reapers, they protect our seed and bring it to us at the time of our harvest. If we are not tithers, God cannot send His angels because we are rob-

bing from Him. Folks are always looking for an excuse to avoid tithing. I'm always looking for a way to better obey Him. Recently I was praying and began to ponder a common scenario:

A lot of folks never tithe and yet they live in great prosperity, so why bother tithing? This is what the Lord answered me: "**who gets the praise for your prosperity?**" One day their soul shall be required of them and then who gets all their wealth?

Mark 4:26 So is the Kingdom of God, as if a man should cast seed into the ground.

God has given us the law of seed, time and harvest. And then He sends His angels to protect our seed. Don't sow without the help of harvesting angels.
