Saving the Best for Last

Here is the word given by Smith Wigglesworth to Lester Sumrall in 1939. Smith Wigglesworth to Lester Sumrall in 1939 (WWII ready to break out) with tears rolling down his face Smith cried saying, "I probably won't see you again now. My job is almost finished." As he continued to pray he cried, "I see it, I see it!" Brother Sumrall asked, "What do you see, what do you see?" He said, "I see a healing revival coming right after World War II. It'll be so easy to get people healed. I see it! I see it! I won't be here for it, but you will be." And there was a healing revival right after the war. He continued to prophecy, "I see another one, I see people of all different denominations being filled with the Holy Ghost." That was the Charismatic revival. God raised up people during that era, like the Full Gospel Businessmen. Then Brother Wigglesworth continued, "I see another move of God. I see auditoriums full of people, coming with notebooks. There will be a wave of teaching on faith and healing." We did experience that wave he saw, and we call it the Word of Faith movement. Then he prophesied, "After that, after the third wave," he started sobbing. "I see the last day revival that's going to usher in the precious fruit of the earth. It will be the greatest revival this world has ever seen! It's going to be a wave of the gifts of the spirit. The ministry gifts will be flowing on this planet earth. I see hospitals being emptied out, and they will bring the sick to churches where they allow the Holy

Ghost to move."

Smith Wigglesworth was shown every move of God beginning after World War II. I was just a young Catholic boy when Oral Roberts was on television healing people. We didn't have "healing" in the Catholic church, so we didn't believe what God was doing through Brother Roberts and others. Before Oral died he said we haven't seen anything yet, "healing was coming back big time".

At about this same time after WWII, R.W. Schambach was an associate of A.A. Allen. A mother brought her baby to Brother Allan and handed it to him. Brother Schambach said the baby had over twenty birth defects. The baby had no eyes, its bones were deformed so it could not walk or use its arms. The baby was a vegetable, deaf and mute. It survived by the grace of God. Brother Allen began to pray for the baby and Brother Schambach watched as little pools formed in the baby's eye sockets, he witnessed the creation of eyes in the baby. Then he heard the baby's bones cracking as its legs and arms straightened out. Finally Brother Allen set the baby down and it walked to its mother. At that point the Lord

spoke to Brother Schambach and told him He was going to do it again, this is what He showed brother Wigglesworth.

Mark 16:17 And these signs shall follow them that believe...they shall lay hands on the sick and they shall conceive.

Every Spirit-filled believer who is of the faith of God knows this Scripture. But it doesn't work for everyone! So, either we're missing it or God's missing it, I choose us. We must read the rest of the chapter or we will neglect to do what the Master requires of us.

Mark 16:20 The believers went forth and preached everywhere, the Lord working with and confirming the Word with signs following.

Go back and read Brother Wigglesworth's prophecy, he saw people being taught the Word of faith. The last days revival will follow the preaching of faith, you cannot separate a move of the Spirit from the Word of God.

It can be difficult to get a person healed by faith because they have a part to play in the matter

Make Room for the Spirit

The Holy Spirit does not act apart from the Word of the Father, if there be no Word He has nothing to work with. As the healing revival after WWII began to wane, Kenneth Hagan received a Word from the Lord:

The healing revival as you know it will come to an end. But people will still be healed as they hear the Word of Faith.

It can be difficult to get a person healed by faith because they have a part to play in the matter. I am totally convinced that the Word of Faith movement will usher in the last days healing revival. A Messianic Jew by the name of Dick Reuben predicted the Brownsville outpouring that took place several years ago. The Lord told him that the next great move of the Spirit will be in the Word of Faith camp.

Brother Wigglesworth said this last days revival would be a wave of the gifts of the Spirit. The nine gifts of the Spirit come by faith, we believe for them, we do not earn them through good works. Most denominations do not understand the ministry of the Holy Spirit, they know nothing of His nine gifts. Most of them oppose the gifts, declaring that tongues are of the devil or all the gifts passed away with the last apostle. All of these ignorant statements are excuses for not having faith in God's Word.

1 Corinthians 12:1 Now concerning spiritual gifts

brethren, I would not have you ignorant.

If a man is ignorant concerning the gifts of the Spirit it's because he chooses not to believe God's Word. If God showed up and did some miraculous thing they wouldn't even know who did it. The Catholics still believe that Mary the mother of Jesus stopped the Russian's from dropping nuclear bombs on the United States. They believe Mary gave them the "rosary" to pray in order to stop Russia. To this day

John 11:47-48 The chief priests and the Pharisees said: what shall we do? For the man Jesus does many miracles. If we let Him be all the people will believe on Him and the Romans will take away our positions.

Religion will lose its place if Jesus is permitted to be presented to the people. A church should be a place where true believers gather to honor and worship the Lord. In general, church has become a place where men are honored for perverting the Gospel. When

they are making "saints" out of people who supposedly worked miracles hundreds of years ago. I believe the Lord is "shaking" the Catholic church in order to gain a place among them. Kenneth Copeland once said "If you ever got a Catholic saved and filled with the Holy Spirit, he will be a staunch warrior for Christ."

men are in charge they will make no place for the Spirit of God, He is a drain on their agenda. A lot of folks enjoy having their flesh catered to where there is little demand on their time. We must make room for the Spirit, He will not force His way into our services.

God's Vision

We seem to always talk about our visions but do we ever stop to know God's vision. What is God's vision for the world?

1 Timothy 2:4 God will have all men to be saved, and to come unto the knowledge of the truth.

The rest of God's Word is spoken in support of having all men to be saved. Every person Jesus healed were unborn again sinners, but they got a revelation of God's love. If Jesus raised your baby from the dead, do you think you could ever forget Him? If Jesus healed by the Word of His Father, don't you think you could trust Him with your life? Knowing what God's vision for the world is, how interested in God does the world appear to have? Let me answer this for you. Generally speaking, the world can see no need for God! They are content with what they have, the very thought or idea of hell never enters their minds. When I was a sinner I was haunted by the thought of eternity in hell.

Deuteronomy 30:19 I have given you the choice between life and death. Now I call on heaven and earth to bear witness of the choice you make.

This is part of God's vision for all mankind. Many are under the delusion that they believe fake news, "if God wants me in heaven He will put me there!" How about this one "I'm going to hell to party with my friends!" Far too many people are rejecting God's vision and they substituted their fantasy in His place. During the days of Noah the people were eating and drinking until the flood came and took them all away. Noah was a preacher of righteousness, he warned all the people but they would not hear him. They could not use ignorance for an excuse because Noah warned them.

Acts 5:12,14 The Apostle Paul worked many miracles and wonders among the people. And believers were the more added to the Lord, multitudes of men and women.

God is giving people a reason to believe in Him, He is healing all manner of sickness and disease. Jesus spoke the Word, His Father confirmed it, Jesus left no question regarding His integrity. God is not a man that He should lie. God says all men must choose their destiny, some folks think they can take a neutral position and get the best outcome. But God says we must choose between death and life, we must all choose because we have death abiding in us until we do.

John 10:10 The devil has come to kill and destroy. I came so they can have real and eternal life, more and better life than they ever dreamed of.

No one can know about the life the Lord has prepared for them because we are not capable of even dreaming that big. If you want to know it you have to live it and it's far better than anything we could plan for ourselves. If you don't accept God's vision for your life you will oppose yourself and you will need to deal with the struggles you create.

If you don't accept God's vision for your life you will oppose yourself and you will need to deal with the struggles you create.

How do you embrace

God's vision for your life

Run with the Vision

The Holy Spirit has told us what the Father's vision is for our time. He has begun the last great healing revival ever known to mankind. Don't take a wait and see attitude, become proactive, begin to believe and speak in line with the Lord's vision for this day. The Lord has instructed me to alter the way I pray when the gifts of the Spirit are in manifestation. Instead of saying: **I now pray for you**, He told me to say this: **the Lord is healing you right now**.

Mark 11:23-24 If you believe that those things what you say shall come to pass, you shall have whatsoever he says. Whatever you desire when you pray, believe you receive them, and you will have them.

Faith will declare whatsoever the Lord has spoken, the Holy Spirit will prove it with evidence. All we need to do is be-

lieve Him, faith cometh by hearing and hearing. The ministries that have been teaching faith were obedient in preparing the people for this great move of the Spirit. Christians from other churches have begun to contact us for prayer, they claim their church does not teach faith nor healing.

The Apostle Paul said: **My God shall supply all your need supernaturally**. Not all Christians can say that about their God, they don't know Him well enough to speak on His behalf. If you know your God's will, then say it and you will have it.
